Hands-On Learning

CLASSROOM Rules

- Building strong connections with each other is so important and it's these strong connections that matter most!
- Children will make mistakes...so do we! At times, your child may need reminders to make good choices and may need reflection time. I always have a quiet, private chat about their choices.
- Please keep all toys at home!

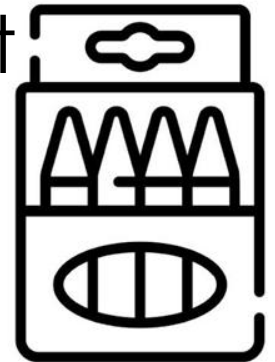

SCHOOL *Supplies*

Our school supply list will be on our website before the summer break :)

Please ensure all individual items are labelled! Each child will have their own labeled caddy with their individual supplies to ensure their items are kept separate for their health and safety.

PARENT *Volunteers*

I **love** having parent volunteers in! When you come to volunteer please sign in at the office and wear a tag to show you are a volunteer. Please send me a message via email when you would like to come in! Our door is always open!

Here are a couple of classroom jobs that are essential to our program:

- Kinder Cooking (2 parents, once a month)
- Field Trips (on a rotational basis)
