Part 2: School Updates

Administration Report by Ed Kucy

-Holy Redeemer is hosting a girls basketball tournament EIAA that we haven't had at our school in years. Will be January 18th-20th and the boys team will be at fultonvale.

-Dec 21st is our Christmas concert: 6:15pm is the Mass and Concert to follow in the sanctuary upstairs.

-After the Mass is over they ask parents stay where they are and students will go to their class pew.

-Father has approved the music our students will be singing in the sanctuary.

-Rec and Leadership will have gift baskets for silent auction items.

-Food Drive is going on currently for 12 days of giving led by Mrs. Evans.

-Day after our Christmas concert is the movie for Gr. 5 to 8 "Wonka" and Dec 14th is K to 4 watching "Wish"

-There was an Academy question for baseball if it's happening in 2024/2025 school year.

-Mr Kucy has said Baseball, Jui Jitsu and Hockey will be the planned academies next year once we do an info night to see how many want to partake in the additional sports and it gets approved. This will be for grades 5 to 8.

-Both additional sports will be a full year program as well.

-Behaviour Contract we have for hockey students and will apply for the others.

-Some students that may have been struggling we will work with them and parents best as we can but come end of January they may have to make a different options choice other than hockey if they can't improve behaviour.

-We have 3 classrooms available for more students with the expected numbers increasing.

-If the classroom sizes continue to grow they may look at the possibility of a split classes example: Gr 1 & 2 split next year with the current number of students in kinder and grade 1.

-Mr Kucy has a meeting Monday Dec 11th/2023 to get a green light for the information night to be approved for baseball and jui jitzu.
